

HTA PRINCIPAL..... SEES RED

Mr. Basaraba, Principal of Holy Trinity Academy made true his deal with the students and families of Holy Trinity Academy today. Students and families were challenged prior to the Christmas break to collect 1000 food items for the local food bank. When the final tally came in, students had raised over 1225 food bank items.

In exchange for this generosity, Mr. Basaraba promised he would colour his hair – RED. “ During the last week prior to the break in December, I wasn’t too worried, but things picked up fast as soon as I said this!”

For all this fun..... students and parents provided a valuable resource to our community of Drayton Valley. The school received a nice letter of thanks from the Drayton Valley Food Bank!
